

SPECIFICATION

SCA680E Self-contained Breathing Apparatus

Full-face mask

Material	Mask	EPDM rubber
	Visor	Polycarbonate
	Frame	Polyetherimide
	Head strap	Aramid
Type	6 tight points of Chin-strap	
Angle of view	180°	
Mounting type	One-touch type	
Weight	Less than 850g	

Harness

Material	Body	PA66 + glass fiber
	Waist belt	Aramid
	Waist buckle	Noryl
	Cylinder belt	Aramid
	Gauge cover	Silicon(resistance to heat)
	Shoulder strap	Aramid
Weight	Less than 2.8kg	

Approvals

CE Standards	EN137:2006, EN136:1998
--------------	------------------------

Air Cylinder	
Type of gas	Air
Material	Carbon Composite Cylinder
Volume	6.8L
Service time	45min
Service pressure	300bar
Service Temperature	-40 to 60°C
Test pressure	450bar
Standard for cylinder	CE standard
Service life	15years
Weight(w/o air)	Less than 4kg
* There are several more cylinders to choose from which are all CE certified. Please contact us for more information.
