

### FP13 - Portwest 2 Point Harness

**Collection:** Harnesses

**Range:** Fall Protection

**Materials:** Polyester Webbing, Alloy Steel, Heat Treated

#### Product information

This full body harness features front and back D-rings and is widely used in the construction industry. It is light weight and easy to use.

EN 361 ( )

#### Harnesses

Portwest harnesses are required to ensure protection when working at height. Our range of harnesses offer different connection points that can be used in a variety of job functions such as fall arrest, work positioning, suspension and rescue.

#### Fall Protection

Fall Protection is put in place to prevent the risks associated with falling from heights, reducing impact force, restricting obstacle/ground collision and restricting users from fall hazard areas. Portwest offer a full range of fall protection products for working at height.
