10 inch(26cm)

656:
12 inch(30cm)

TECHNICAL

APPLICATIONS

Automotive / Machine Operation
Oily Material Handling / Maintenance
Water Supply Operations
Fishery / Painting

DESCRIPTION

The secret to the OR series's effectiveness is a carefully combined engineering and compounding. OR655/OR656/OR657 have a dipped rough finish that makes handling wet and slippery materials easier and safer. An anti-oil compound vinyl film actually works against a slippery surface to ensure a good grip performance. The ergonomically designed hand shape provides a natural fit and better comfort.

FEATURES

Comfort

A 13-gauge seamless liner and ergonomic design assure a maximum comfort and minimum hand fatigue.

Workability

A special durable compound assures that the gloves will be reliable in a tough working environment.

Hygiene

Antibacterial treatment is applied for the clean working environment.

OR657

Available with heat-sealed PVC sleeves, reinforced to prevent tearing and punctures. The 60cm overall length and elastic collar provide forearm protection in the harsh, non-chemical environment. Recommended for slippery applications.

OR658 Thermo

Detachable 7-gauge napped acrylic knit inner gloves are attached to OR656. OR658 Thermo offers great warmth and keeps its flexibility in cold temperature (-20c/-4F)
