

Refresh™ Clear FOAM

Perfume-free & Dye-free Gentle Foam Hand Wash

PRODUCT DESCRIPTION

Perfume-free and dye-free gentle foam hand wash, containing conditioners and moisturisers to help prevent skin drying.

WHERE TO USE

Washroom areas in offices, education, nurseries, public facilities, healthcare, aged care and food handling environments.

INSTRUCTIONS FOR USE

- Apply one shot to wet or dry hands
- Rub across all parts of the hands and rinse off with clean water
- Dry thoroughly

FORMAT: **FOAM**

FEATURES	BENEFITS
Environmental Choice Australia Certified Product	This product has been independently certified as meeting the requirements of Good Environmental Australia PCPv4.1i-2013 Personal Care Products Standard. See www.geca.eco .
Non tainting and assessed according to HACCP guidelines	When used as directed in food production and preparation areas, the product does not influence the quality of foodstuffs or present any risk to the health of its consumers. Products and dispensers are certified by HACCP International.
High quality silky-smooth foam	Provides a very pleasant hand washing experience and leaves skin fresh after use.
Soap-free formulation with skin friendly pH value	Formulated to maintain the skin's acid mantle; a layer on the surface of the skin which acts to help support the natural bacteria balance.
Contains Glycerin	A skin moisturiser to help prevent drying and leave the skin feeling smooth after use.
Saves water and energy	Foam format can save up to 45% on water consumption and associated energy costs compared to lotion soaps.
Highly economical	Only one dose is required for an effective hand wash, providing the equivalent of up to 43% more hand washes compared to standard lotion soap.
Quick and easy to use	Dispensed directly as foam on to the hands, reducing the time required to create lather. Quickly and easily rinses away to leave no residues on skin or in the sink.
Perfume-free and dye-free	No added perfume or dyes. Ideal for people who are sensitive to perfumes and dyes and who prefer products which do not have these added.

Refresh™ Clear FOAM

Perfume-free & Dye-free Gentle Foam Hand Wash

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from www.debgroup.com/au/sds.

SHELF LIFE

This product has a shelf life of at least 24 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

SUITABLE FOR USE IN FOOD HANDLING

The use of Refresh™ Clear FOAM as per usage instructions, does not influence the quality and safety of foodstuffs.

The product has been assessed using the HACCP hazard analysis methodology. The following critical control points were identified and are controlled as follows -

1. Impact on smell and taste of foodstuffs - The formulation has been independently tested according to 'Sensory Analysis - Methodology - Triangle Test BS EN ISO 4120:2007' and proven to not have the potential to taint food.
2. Possible toxic effects of ingredients - An independent oral toxicological evaluation was performed and concluded that any foodstuffs which may contain trace amounts of the product, are unlikely to cause any adverse toxicological effects.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

CERTIFICATIONS

The Good Environmental Choice Australia

Ecolabel certification scheme is Australia's leading environmental certification program. GECA's Ecolabel trade mark indicates the environmental performance of a product has been certified from multi-criteria perspective. Products that carry the Ecolabel trade mark are certified environmentally preferable by GECA.

HACCP Certified

This product and the antibacterial dispensers are certified as food-safe hand care products for use in food and beverage facilities meeting the requirements of a HACCP based Food Safety Programme.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in semi occlusive, 48 consecutive hour application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements. Suitable for use on children under 3 years of age.

EFFICACY TESTS

Water Saving

Independent tests show that washing hands with foam soap rather than lotion soap can reduce average water consumption by as much as 45% (Report: How a simple change in the washroom can significantly reduce water consumption and associated costs. Durrant and McKay, 2011).
