MicroFinish® Technology for oil, dry and wet grip

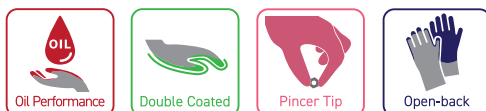

Nitrile double coating

Exclusive Towa's comfortable fit

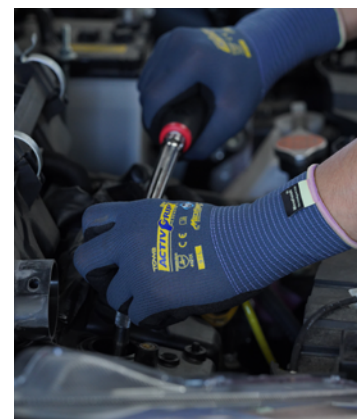

FEATURES

- » Designed to provide maximum performance and stable grip in either oily, dry or wet environments.
- » Using our patented Overdip technology, the double coated surface offers enhanced durability and great protection against oil penetration, keeping the users hands clean.
- » Open back 13 gauge nylon liner design provides breathability and flexibility, greatly reducing hand fatigue.
- » Manufactured with Towa's exclusive hand mold, it offers the best fit and ergonomic design when compared to other manufactures's palm coated gloves.
