

VEGAS S3

PIGMENTED SPLIT LEATHER HIGH-TOP S3 SAFETY SHOES

- Cowhide leather upper, classic full style, S3 water resistant treatment.
- The irregular toothed non-slip lines of the outsole ensure consistent grip and improve the safety factor of daily wear.
- Suitable for conventional industrial manufacturing environment.

High-top Design

- Improve the ankle wrapping
- More durable and comfortable

One-piece Design Tongue

- All-round waterproof protection

Cowhide Leather Upper

- Soft and breathable
- Water proof penetration

Stainless Steel Toe Cap

- Shock-resistant
- Crushproof (200J)

4cm Thick Sole

- Effective protection from rain

PU Outsole

- Meeting SRC anti-slip standard
- Excellent bending resistance
- Through a special treatment, a sheet of material is compounded on the sole, making it not easy to twist.
